Class Prophecy

It is the year 2016, and the class of 1991 has shot back to the future. Meeting in the gym (with the plastic covering on the floor, of course), we celebrated our 25th class reunion. What we discover about ourselves is that many of us are different, but most of us are still the same. Some of us are married, and some of us are divorced. Some of us have children. We had different jobs or are wanted for different crimes. Some of us are still waiting to graduate, and some of us are still grounded. During the reunion we soon find out what we have all been doing since 1991.

Dianne King and her husband, who now own the Boston Bruins, have brought their son to the reunion, Ray Bourque Jr. Emily Ficociello finally got all the feathers out of her car. Amanda Holmes finally got the front seat. Christine Elia is searching the world for her hubcaps. Bob Voner is now a dentist and has invented a travel pack kit for his toothbrush and ACT. Jeanne Caron is still searching for the perfect hairspray. Anna O'Donoghue is now the owner of the Golden Banana. Michelle Doucette is now a co-host on the Oprah Winfrey and Michelle Doucette Show.

Mary Fisher and Joe Britton could not come to the reunion because they are dating on the sly while in hiding over the Canadian border. Shawn Lee has graduated from Harvard University with honors, while Susan Sweet was kicked out for partying. She now rides around the country with the Hell's Angels. Eric Heselton did not show up, although he was last seen as a gigolo on the streets of New York City. Caryl Currier owns Crescent Auto School, but she still does not know how to drive. Tara Perez races car in the Indy 500.

Betsy Tate brought John Burke to the reunion; it is their first date. Kirk Staples now owns a large amount of stock in the Maintenance Department of the Veryfine Juice Company and has been collecting workman's comp for the past 25 years. Antoinette Sellito owns Chanel. Tracey Holt is the new Gloria Vanderbilt. Stacey Maglio owns the Tic Tac Company and has the best breath around. Chris Nolan is a dog catcher. Susan McNamara is the star of Candlepin Bowling with her own unique bowling technique. Michelle Stanley is in a convent, because she took a vow of silence.

Eric Pearlstein is now the real Freddy Kruger. Michelle Stanchi still has the "please call police" sign in her car. Leasa Amidon still does not know how fast she really drives. Joe Wright is suffering from a compound fracture to his leg after falling out of his window while trying to sneak out to the reunion. He is still grounded. Jackie Lutz and Eric Gordinier are in the middle of their fifth divorce. Krista Pagliarulo, a.k.a. radar, owns her own satellite dish company.

Not only is Sandy Palmisano the President of AA, but she is also a client. Jeff "Dexter" Dearing still does not know "when" to say "when." He now presides peacefully at High Point. Pat Rogers is the poster boy for Dutch Boy Paints. Kristina Pryzjemski unfortunately could not make the reunion, because the newspapers headlined that she was a warped serial killer who was carving strange smiley faces in her victims. Bill Lawson is living in a nudist colony and scaring away the small animals. Rich Barletta, we learned, had one too many acid trips and is "relaxing." He now believes that he is Jim Morrison.

Sheila McEwen owns her own package store. Kevin Fields has been recruited by the New Kids On The Block to be a lead singer. Andrea Currier is now the president of her own clique. Steve Pepe is the drummer for Rush, and Erminio Grasso entertained us as Rico Suave. Mike Gronemeyer is the new Adrian Zmed. Bino is roaming the world because he still can't find his car. Tara Nickerson is racing professionally at Hudson Speedway. Laura Pastore is in an insane asylum because she worries too much. Christine Laffin and Kelly Kivlehan are still at the Wilmington library bathroom. Jen Breslin is living in England and singing for a punk band.

Connie DeSiarra is still asking people, "Are you still mad at me?" Joe Gill is the head of a nasal decongestion company. Deana Cardinale comes with her husband Phil Percuocco. Ellen Casey still thinks they're talking about her. Aimee Lee is how hosting her own talk show about ignorant men. Jim Maiella still can not go out with his friends. Stacey Kane opens her own school of brown nosing. Nicole Bouchie has pursued her true calling and becomes a hairdresser at Barbizon, while she still parks in the front of the high school. PARADISE BY THE DASHBOARD LIGHT BY: MEATLOAF

PART I

I remember every little thing
As if it happened yesterday
Parking by the lake
And there was not another car in sight
And I never had a girl
Looking any better than you did
And all the kids at school
They were wishing they were me that night
And now our bodies are oh so close and tight
It never felt so good,
It never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon! Hold on tight!
C'mon! Hold on tight!
Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
Ain't no doubt about it
We were doubly blessed
Cause we were barely seventeen
And we were barely dressed
Ain't no doubt about it
Baby got to go and shout it
Ain't no doubt about it
We were doubly blessed
Cause we were barely seventeen
And we were barely dressed
Baby doncha hear my heart
You got it drowning out the radio
I've been waiting so long
For you to come along and have some fun
And I gotta let ya know
No you're never gonna regret it
So open your eyes I got a big surprise
It'll feel all right
Well I wanna make your motor run
And our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon! Hold on tight!
C'mon! Hold on tight!
Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
Paradise by the dashboard light
You got to do what you can
And let Mother Nature do the rest
Ain't no doubt about it
We were doubly blessed Cause we were barely seventeen
And we were barely -----
We're gonna go all the way tonight
We're gonna go all the way
And tonight's the night . . .

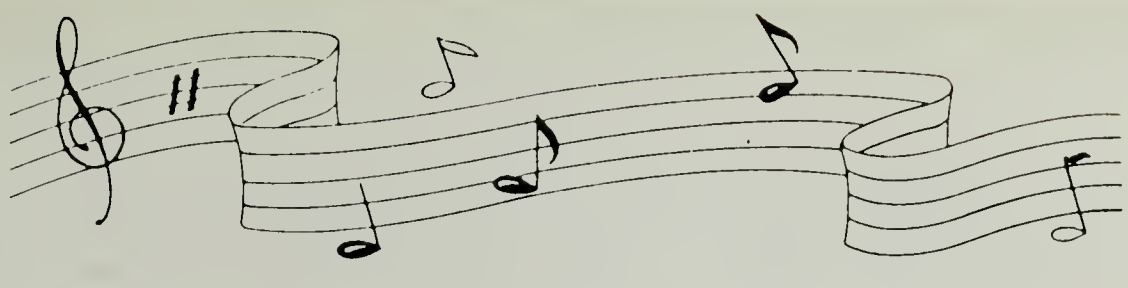
I gotta know right now!



Before we go any further --!
Do you love me?
Will you love me forever?

Will you never leave me?
Will you make me so happy for the rest of my life? Will you take me away and will you make me your wife?
Do you love me!?
Will you love me forever!?
Do you need me!?
Will you never leave me!?
Will you make me so happy for the rest of my life!?

PART III

Praying for the End of Time
I couldn't take it any longer
Lord I was crazed
And when the feeling came upon me like a tidal wave
I started swearing to my god and on my mother's grave
That I would love you to the end of time
I swore that I would love you to the end of time!
So now I'm praying for the end of time
To hurry up and arrive
Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But God only knows what I can do right now
I'm praying for the end of time
It's all that I can do
Praying for the end of time, so I can end my time with you!!
It was long ago and it was far away and it was so much
better than it is today
It never felt so good
It never felt so right
And we were glowing like metal on the edge of a knife

CLASS HISTORY

September 1987, the former North and West eighth graders met each other as freshmen at Wilmington High School. The renovations were supposed to be finished. The Drama Club performed "Rehearsal for Murder" in the Massachusetts High School Drama Festival. The following year, we returned as the nothings. Our schedules had been changed from 7 periods to 8 periods and the administration experimented with the instructional period (which flopped). The senior class "sat-in" in the auditorium and their voices still were not heard. Fire drills were pulled every day. Due to the extravaganza of the previous class, the Sophomore-Semi, oops I'm sorry, the "Half Way Dance" was held at the Sons of, oh, Villanova, no, Knights of, oh excuse me, I meant the Wilmington High School Gym.

We returned in the fall of 1989 as upper classmen. Now we had the right to cut people in the lunch line, play ping pong with the freshmen in the hallways, and we could have the first official junior skip day. Besides the rain and the phone calls home to mom and dad, no one was allowed to enter the junior dance that night. The Girls Varsity Softball Team went to the state tournament and had a rough loss to Stoneham. The Junior Prom was held at Hillview Country Club and was a huge success. Cheryl Gill was Prom Queen and Bill Kerrigan was Prom King. A good time was had by all, especially at Wingasheik Beach the day after. The day had finally come when the seniors signed out. Now it was our turn to be the seniors.

Senior year was here. It started out with Homecoming Weekend. Angela Gage and Dave DiCenso were voted Homecoming Queen and King. The Freshman-Senior Buddy Breakfast was held to show the freshmen who they would look up to for the rest of the year and we all met Dennis' buddy, Cliff. Wilmington High School renewed its accreditation due to the fact that we wouldn't let the accreditors in the auditorium. With the support of the whole school and the great coaching of Dick Scanlon, the Boys Varsity Soccer Team were the North Sectional Champs. Girls Varsity Field Hockey also qualified for the state tournament, but unfortunately they were defeated in the first round. The Boys Varsity Hockey Team also qualified for the state tourney, but after a long tough game, they were defeated by Austin Prep. The event with the most impact during our high school years, happened on January 16, 1991 when President Bush declared war on Iraq to liberate Kuwait. The support for our troops in the Gulf was overwhelming and the conflict ended with a tremendous US victory. On March 5, we held our 91 Day Party at the Sons of Italy. We danced all night, although some of us don't remember, and after the dance we went to the senior hangout, no not the high school parking lot, but Browns Crossing. The next day was the traditional senior skip day with a record breaking 136 seniors God knows where. The Festival of the Arts Celebration started off with the play "Our Town." The week proceeded to have concerts and art displays. Senior sign out day is some day in May and the Senior Prom will be held on May 29 at Danversport Yacht Club and will be followed by the traditional reception at the Knights of Columbus. Convocation will be boring as usual except for the people who get all the money. Graduation day will be in the first week of June and the final step of our high school career. And that's the history for the class of 1991, and I wish all of you a great future.

Christine Peters

ATHLETICS

CHAMPIONSHIP SOCCER

The 1990 Boys Soccer Team stacked up an impressive 15-3-4 record for the season. This team was the first in the history of W.H.S. to win th Division 3 Northern Sectional. North Reading was a formidable opponent and the Wildcats were losing 1-0 in the first half. Wind was an incredibl factor in the match with the points going to whichever team the gale favored. Finally, Wilmington rallied in the 2nd half to win 2-1.

The team then went on to the State Semi-Finals against Medway. Seasoned Medway players prevailed 3-1 that day, but the Wildcats enjoyed season unparalleled in the annals of W.H.S. soccer.

The turning point of the season came when W.H.S. defeated Chelmsford 1-0. From that point on, the Wildcats knew they had the will and the ski to go all the way to the top. Lending great support were the Wilmington fans, the fire trucks that turned out for the team, and the police who provide an escort to and from the matches.

Named to All-Conference were players Dave DiCenso and John B. Lynch. All Stars were Kevin DiGiovanni, Vic Pacheco, Dave DiCenso and Joh B. Lynch. When asked what provided the team's inspiration, players said "Coach Scanlon (MVC Coach of the year)," and also "we did it for Foster."

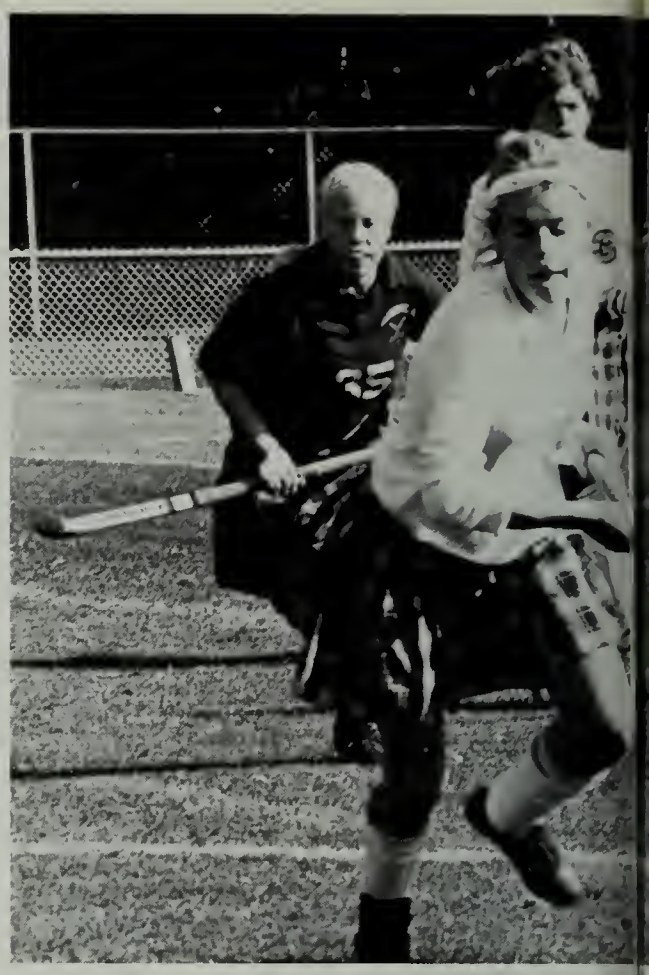
Thanks to great coaching by "Dougie" and "Reenie" we'll leave with wonderful memories. The seniors wish good luck to the '91 team next year and hope they beat Chelmsford and Dracut. We also hope they stay out of trouble!

FIELD



The Wilmington Field Hockey team compiled a record of 7-4-5 this season. This year's squad had 5 seniors. Deana Cardinale, Marialyce Burns, Shannon Rooney, Ellen Casey, and Judy O'Connell (Captain). The team advanced to the State Tournament and was defeated in the 1st round by Manchester. This year Jen Rago, Judy O'Connell, Laura Bartnik, and Deana Cardinale were All-Stars in the MVC. Jen Rago and Judy O'Connell were also selected to the All-Conference team. Judy O'Connell was the "Player of the Year" in the Merrimack Valley Conference and was selected to the Boston Globe All-Scholastic Field Hockey team.

The seniors would like the underclassmen to continue to pray, Mecca Lecca, the sheet, Chinese firedrills, pumpkin, anything else that isn't appropriate to print in this yearbook, and most of all the decorating of Jan and Urkie's houses (The best coaches in the MVC!!!)

The seniors would also like to thank Ms. Cassidy and Mrs. Urquhart for everything and wish next year's team the best of luck for a successful season.

VARSITY GIRLS BASKETBALL

The 1990-91 Girls Varsity Basketball team ended a long and hard season with a 3-15 record. Our dedicated coach, Sue Rowe, worked her hardest to encourage us and teach us everything she knows about the game. The young team was led by senior tri-captains Alison Curtin, Emily Ficociello, Ginny Cosgrove, and senior Judy O'Connell who have dedicated all of their 4 winter seasons to basketball. In their final year Ginny and Alison were chosen to play in the 1991 All-Star Small School Division Game. Although we did not have many wins we had a ton of laughs. We will always laugh when we remember the fire drills during the Haverhill game, Em's black eye, Ray Charles (Ragu), Alison's sharp elbow (Lawerence game), knockout, bus rides, Kitty's, Ground-Round, and last but not least BUCKWHEAT!! — A'memba me? The seniors wish next year's team the best of luck. We will miss playing with you and all the fun times. We would like to thank our fathers for supporting and believing in us all season and letting the refs know when they made a bad call. Also, thanks to Sue for being a determined coach and a good friend.
P.S. LONG LIVE BUCKWHEAT!!!

Boys Varsity Basketball

This year had its share of ups and downs, highs and lows, and wins and losses. As a team, everyone contributed as much as they were allowed. We were a group of hard working individuals with the common goal to win as many games as possible. This year's Wildcats were picked to finish last in their division and not to accomplish anything this season. With all the odds against us, we still worked hard every day, stuck together, and kept our pride, to be the best team possible. The final result was coming just short of making the states by one game, which could have been won. This year's seniors would like to thank coach McCune, Mr. Woods for all you've done for us in the past four years, and Coach McDonald for those pre-game talks and the whole coaching staff for all the time you have dedicated for us. Lastly, this year's seniors would like to remember some famous words like, "On the line!", "You got none of these," "Seventeen touch", "Backboard touches", "Mont", "Font", "Lont", "Ont", "Ditka", "Small Town", "Frank", "Olive Garden", "Exxon", "Otto", "Flounder", "Belt", and any other nicknames we missed, spinning north gym, "Rip their faces off", "You play like my sister", "I don't need you guys to love me I got a wife", and finally "You may not do good all the time, but I love you guys."

Well, Laurel and Hardy and the rest of the crew, the show is over. Hopefully next year the season will be as fun and successful as this year. (probably not because you will not have the main characters Happy Camper, Smiley, and Wanna). Although our record was one win and eight losses, you have got to remember "It's not the score, it's the elements." Remember the antagonist, "Tammy", or do you want to forget her. Keep on laughing and Good Luck next year. And Jess maybe Donna will lend you her black leather skirt for gym class. (HA! HA!)

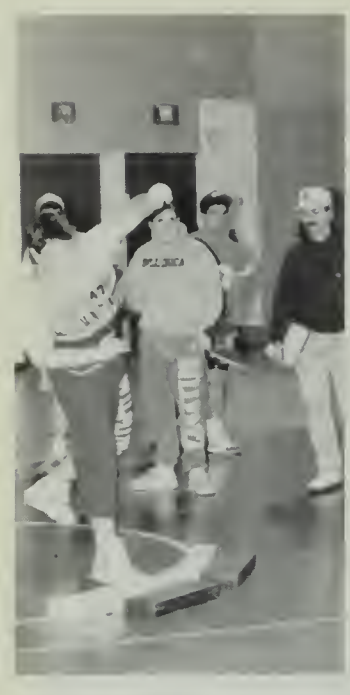
Winter Track



The boys track team was led by captains Andrea Grise and seniors Matt Callahan, Mike Rubino and Pat Rogers. Throughout the track season all the members of the team worked as hard as they could to make the season a success. The 4x220 relay team and the 4x50 relay team earned 6th place finishes at the state relay meet at BU. The track teams are grateful to Mr. Kripps for making the track season as fun as possible.

The girls track team of (1 win, 5 losses) in no way reflects all the hard work and dedication that each individual put into practice. This winter season was kicked off with a new coach, Miss Cassidy, who was always pushing and encouraging us. Although Mr. Kelly was unable to be our coach, he was always right behind Miss Cassidy cheering us on. The girls track team was led by co-captains Jackie Lutz and Stacey Magilo and seniors Betsy Tate, Christine Elia, and Lori Mazzoni. The girls sprint medley team (Elia, Maglio, Lutz, Tate) and the 4x220 team (Lutz, Maglio, Sheperdson, Tate) took 6th place finishes at the State Relay Meet. Tate and Lutz competed at the state track meet. So after a fun season, the girls track finished the season off proudly. At the left is the track relay posse.

Varsity Hockey

The '90-'91 Varsity hockey squad surprised everyone in the M.V.C. For a team that wasn't picked to win a single game they did very well, making the state tournament and earning respect. Led by the scoring forces of Meeker, Brennan, Pilcher line the cats showed they could play. Bob Lesko played exceptionally well all year. The Wildcats defense led by Bob Voner, Scott Barry, Bob Anderson, and Eric Omelia was stellar. Everyone on the team had a great year and certainly won't forget it. Five people from the team made the All Star team Scott Brennan, Bob Voner, Kevin Meeker, Bob Anderson, and Scott Barry. Scott Brennan made the second All Conference Team while Bob Voner made the first.

TEACHER OF THE YEAR

Mrs. Alice Bertini was voted, almost unanimously, Teacher of the Year for 1991. She is always there with an open ear and words of advice. Mrs. Bertini teaches Health and many other things not in the curriculum. Her teaching style is straight forward, candid, frank, and honest. Bertini says, "Don't go home and tell your parents, Sex is good." She has a story for every lesson. It is the one class kids didn't mind attending during the day.

Mrs. Bertini knows everyone and listens to everyone's problems and triumphs. Sometimes she skips lunch to talk to students who need her. She always has advice to give and hunches about things.

One of her favorite activities is playing Cupid. From her vantage point of room 214, she is a careful observer of all comings and goings in the Adam Street wing. She always knows everything that is going on, and likes to pick out potential prom dates for "her" girls.

We congratulate Mrs. Bertini on her well deserved recognition and we will miss her next year.

WORDS FROM MR. FLEMING:

Dear Senior Class Members,

Thank you for allowing me the opportunity to offer thoughts that will contribute to your high school memories and hopefully to however small a degree, your future perspectives.

Two important focus points for what I am going to write deal with what has probably been special about your lost four years and the environment in which you performed during that time period.

You are graduates of a school that values ordered learning, enhancement of self esteem, intellectual challenge commensurate with subjective ability and empathy for those who in all ways are less fortunate.

You have all had the opportunity of being special, in fact at times, a kind of star because our size has allowed us to really know each of you and your needs. You have loved each other, experienced the psychological and physical rush that accompanies athletic victory and defeat and been forced to reflect on your responsibility to exercise and learn the value of moderation in all things.

Creativity, declamatory skills, caring, a spirit of inquiry, and the ever present wonders of the young have been beautifully expressed in your Peer Leadership Group, your Model Congress, our Wildcat news, your Drama presentations, your Medical Explorers Group and your Students Against Driving Drunk Chapter.

You have had the good fortune of experiencing a clever, caring faculty who know their material and have the skill and will to bring it to you. Your parents have been great because they truly care and love you.

Set a goal to be other than a "taker" of that love and admiration. Give some back and in doing so make life worth living.

Our little academic community is respected by its town and many of the greatest colleges and universities in America. Wilmington High School is a sterling example of the great American public secondary school and you are our product.

We have done our job. Please don't now or at any time in the future turn your back on us as we attempt to perpetuate our country's greatness.

MODEL CONGRESS

The Model Congress Club is a group of students who participated in the Harvard Model Congress at the Boston Sheraton. For these four days, the students simulate the United States Senate and House of Representatives. The program is hosted by Harvard University students, many of whom were participants in the Model Congress program when they were high school students. Each student is assigned to be either a specific senator or a specific representative in Congress and is expected to be familiar with that Congressman's voting record and policies, so that the student can vote accordingly. The Class of '91 was among the first participants at the Harvard session. Formerly, W.H.S. students participated in the American International College congress. Susan Sweet won one of the awards for excellence in committee work. The Model Congress Club would like to thank its advisor Mrs. Hayes for her hard work and planning on behalf of the club and also wishes to thank Mrs. Bertini for coming to Boston as their chaperone.
